A few important details regarding the clean-up: This is for cleaning up our community waterways, parks, and roadside ditches. NO HOUSEHOLD TRASH. A dumpster will be provided at the Lipps' house. No HazMat (ie paint, fuel cans, etc) and no sealed drums. Please do not overfill the dumpster beyond the top rim or they cannot haul it away. For larger items and personal yard waste, please use your annual dump pass and take the items directly to the dump. Also note the Anchorage Woodlot hours for tree waste.

We can't wait to see you at this super fun annual event!
